REMOVAL OF NAME OF MEMBER
AS COSPONSOR OF H.R. 676

Mr. GRAYSON. Mr. Speaker, I ask unanimous consent to remove my name as a cosponsor of H.R. 676.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

REPEALING THE AFFORDABLE
CARE ACT

(Mr. JOYCE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. JOYCE. I rise in support of repealing the Affordable Care Act and preventing Ohioans from having to deal with higher health costs, \$1.1 trillion in tax hikes, and more government intrusion in their health care. As we near the full implementation of the health care law, it seems as though every day

we receive more evidence that this law will increase health costs for ordinary Ohioans, place an enormous burden on Ohio small businesses owners—making it harder for those businesses to hire new workers—and insert more big government in between Ohioans and their doctors.

My district in northeastern Ohio is home to several medical device manufacturing companies which will be especially hurt by the health care law's onerous medical device tax. It's crucial we repeal this law and replace it with commonsense health care legislation. Jobs and affordable health care are at stake.

HONORING “BREAKAWAY FOR
CANCER” CHAMPION VIRGINIA
“DEE” WILLIAMS OF LIVERMORE

(Mr. SWALWELL of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SWALWELL of California. Today, I rise to honor the amazing Virginia “Dee” Williams of Livermore, California, a 12-year survivor of breast cancer who will be honored this Saturday as part of Amgen's “Breakaway From Cancer” initiative at the Amgen Tour of California.

Dee was chosen as a “Breakaway From Cancer” champion because of the profound difference that she has made in the lives of cancer patients within our community. Dee is a “call back” volunteer who talks to cancer patients to determine if their needs are being met while undergoing chemotherapy or radiation. She also spends time talking with recently diagnosed breast cancer patients to help relieve their concerns as they're going through this journey.

As one of the Walnut Creek American Cancer Society “Look Good, Feel Better” coordinators for Livermore and Pleasanton, Dee teaches women who are undergoing chemotherapy or radiation how to pick out, take care of, and wear wigs, as well as teaching make-up techniques.

Dee has survived cancer and is still dealing with fibromyalgia and arthritis and battling a neurological disorder, but she has not let any of that slow her down one bit. She is truly an inspiration, and Livermore is lucky to have her, and I am lucky to represent her in the United States Congress. I look forward to seeing her this weekend on the Amgen Tour.

DESERVE ANSWERS

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, at a 2009 college commencement address, President Obama joked he could use the Internal Revenue Service to target political enemies, but, of course, he never would.
